News from Acting Head

I'd like to start this week's newsletter with a get well soon message for one of our children, Rhea, who is recovering well from brain surgery at Alder Hey hospital. Our thoughts are with her and her family as she recovers from her surgery and we are wishing Rhea a speedy recovery. Rhea's family have been very grateful for the kind messages they have received. Big hugs from us all Rhea, we can't wait to see you when you are feeling better.

Dosbarth Dolwen had a great time learning first aid this week. They learned CPR, what to do when someone is choking and how to put someone in the recovery position. Well done Dosbarth Dolwen.

A huge thank you to Gareth and Lesley and the rest of the Heap family and their friends who raised £320.00 for the school in memory of Gareth's mum Eirlys. Aunty Eirlys spent many years reading with the children in Cynfran, so we are in the process of using the money to buy some much needed reading books.

Do you have any old board games or jigsaws that you no longer use? On very rainy days, the children have to stay indoors to play, and it would be lovely if they had more resources to play with at these times. Thank you.

Well done and thank you to Dawn Brough and the PTFA for securing a grant for £1,500 for gardening equipment for the school. If you are interested in supporting us with gardening at school, please let us know.

Finally, I have set some of the children a challenge this week to learn to tie their shoelaces. Some of the children have told me that it's better homework than spellings, so I hope they give it a good go!

Have a lovely weekend.

Kind regards,

Beth Hughes
